Dear MR TITTERINGTON

Your doctor has referred you via the NHS e-Referral service for an appointment in the GENERAL SURGERY Department.

We are sorry that there are no appointments currently available. You should be aware that due to a high volume of referrals in our GENERAL SURGERY Department, our current waiting list is 30 weeks. We will contact you in due course to arrange a mutually convenient date and time for your appointment.

The Queen Elizabeth Hospital NHS Foundation Trust may offer you an appointment at The Queen Elizabeth Hospital King's Lynn, The North Cambridgeshire Hospital Wisbech or at other locations where services are available.

Please be assured that we see patients in order of clinical priority and then chronological order. You will need to be available to attend multiple appointments, including those for diagnostic tests.

It is appreciated that there may be occasions when you will need to reschedule your appointment. We allow two patient cancellations; in the event of a third cancellation you may be referred back to the care of your GP.

Please notify us immediately of any change of name, address, GP or telephone numbers. Having an up to date mobile number on your record will assist us in contacting you when required. If you have any holidays booked in the near future, please let us know. We can be contacted on 01553 613400.

Yours sincerely

Trudy Taylor
Head of Patient Services
