INDIVIDUAL HEALTH SCREENING SUMMARY REPORT

Name: Stephen Fawcett
Company: Fosters

D.o.B: 24/10/67 Gender: Male
Position Held: Operative

The following health screening was carried out on the above named today:

SCREENING COMPLETED	CATEGORY			RECALL DATE
	A	B	C	
Respiratory	✓			1 Year
Audiometry				
Vision				

Skin				
BP	✓			1 Year
FLT Driver Medical				
HAVS				

Category A: No problems detected at health screening.

Category B: Minor problem detected at health screening. No action required by the company but the individual will be monitored by Occupational Health.

Category C: Significant (work related) problem detected at health screening. With the agreement of the employee, this will be discussed with the Company to prevent any harm to the individual.

Employee Signature: *S.F.*

Print Name: STEPHEN FAWCETT.

Occupational Health Comments: Medical Review -
 Cholesterol Yes/No Stephen is currently waiting for
 Referral to Hospital. He has recently
 needed 2 weeks off work, GP suggested
 light duties on return which is
 difficult in current role. I would
 recommend Stephen is seen by
 occupational Health doctor if any further
 concerns.
